

MULTIFAMILIARES LULUNCOTO

Quito, October 26, 2025

Messrs.:

Universidad de las Fuerzas Armadas - ESPE

Faculty of Systems Engineering

Dear Sirs:

I, Ercy Benítez, in my capacity as Administrator of Conjunto Multifamiliares Luluncoto, hereby state that I have reviewed and approved the proposal submitted by the group “The Art of the Programming” belonging to the Universidad de las Fuerzas Armadas - ESPE, regarding the project called “ParkingSystem”.

The purpose of the project is to automate the parking control system of the complex, optimizing the registration, access and management of vehicles entering and leaving the complex. After reviewing the initial approach and the design diagrams presented, I express my agreement with the development of the project and authorize the students to continue with the following phases of the project.

Without further ado, and thanking you for the academic and technical interest shown towards our group, I take my leave reiterating my willingness to collaborate with any information or support you may require during the execution of the project.

Sincerely yours,

Ercy Benítez
